August 10, 2021 5:00 pm -6:00 pm

August 11, 2021 5:00 pm -6:00 pm

Information

The Financial Aid Office would like to invite you to our first ever virtual information presentation to help our current and future incoming Fall 2021 students understand what to expect after they receive a final financial aid award letter. The presentation will consist of understanding your award letter, how to select your bank preference and how refunds get to you.

The financial aid office is currently closed for in-person services, including in-person assistance with completing financial aid documentation via fullcoll.verifymyfafsa.com. If you have not received a final financial aid award by email or can't view it on myGateway, our office may be missing your Financial Aid Application or missing documents via fullcoll.verifymyfafsa.com.

All requirements must be complete in order to receive a final award letter. If you need assistance, please contact your assigned Financial Aid Technician by phone, email, text message or by setting a one-on-one Zoom appointment. A list of Financial Aid Technicians and alpha breakdown can be found on the Financial Aid Office website (<https://financialaid.fullcoll.edu/#contact>).
